

THE BEST QUALITY TRAINING BY THE BEST QUALITY PEOPLE

ISO 9001 Management Systems

Gain a sound understanding of all the principles of the ISO 9001 standard, what they mean, why they exist and how they are applied.

If you are just starting out as a management system practitioner, or require an introductory course for understanding basic quality management principles, this workshop is the ideal starter.

This two day course covers in detail the clauses of ISO 9001. It provides a valuable guide to developing and auditing an ISO 9001 system. You will have the opportunity to apply the standard to your own organisation.

Learning Outcomes

At the end of this course, you will:

- Know more about the standard, including its origin and philosophy.
- Know how to interpret the standard and relate each principle to your workplace
- Know about ISO 9001 and how to use it to support ISO 9001.
- Know how to use the ISO 9001 standard as a practical tool for improved business management.

Presenter

Experienced Telarc SAI Limited assessors and New Zealand Quality College trainers who have a wealth of experience and knowledge in this field present this course.

Please note

The number of participants for each course is restricted to ensure a trainer / student ratio that will facilitate effective training outcomes.
